Assessor Comments: An attractive small line of quality cows PTIC to Kywarra Angus bulls to commence calving on the 30th of July. The majority of these cows are young and about to enter the prime of their lives. These cows present in good store condition and are sound structure. All cows were mouthed at assessment are completely sound. These cows are Landfall blood and a look at the older larger cows gives an accurate indication as to how the younger cows will grow out. Please note the vendor has 2 other lots of PTIC cows with the same joining details offered in this sale.
