Assessor Comments A small line of mixed aged cross bred cows PTIC to Kywarra Angus bulls to commence calving on the 30th of July. These females are proven breeders and have reared big sappy 2021 spring calves that were weaned in March. These cows present in good store condition and are sound structure to provide you with another productive season. The opportunity to secure mature cows soon to have calves at foot. Please note that two cows have a small pink eye scar which doesn't effect their vision at all. Please note the vendor has 2 other lots of PTIC cows with the same joining details offered in this sale.
