Temperament

Quiet: 105 head Slightly Stirry: 15 head	Quiet: 105 head Slightly Stirry: 15 head	Quiet: 110 head Slightly Stirry: 10 head

These cattle worked very well through the yards. Drafted through a pound they moved freely and were blocked and drafted well. In the paddock they are easily mustered with bikes and dogs in a low stress environment.

Handled With Bikes , Dogs , On foot , Vehicles

Assessor Comments Quality store heifers ideally suited to fatten for the premium grassfed market. These Heifers are in genuine store condition . Having had 48 hours in the yards prior to weighing they have experienced a very genuine curfew. These heifers would usually be kept to Domestic feeder weights or fattened, however due to a change in business direction they will be regretfully sold.
