Assessor Comments	69 (2 Decks) good quality Brangus/Charolais Cross weaned steers that will average 307kg at delivery. Steers show good bone and length to grow out to be heavy feeders or grow out to heavy export markets. Ideal crop cattle. Steers have excellent frame and plenty of compensatory gain to go ahead on greener pastures. Please note: 1 steer's purse still healing - will assess at delivery for fit to load guidelines. 3 brands in cattle - this is because of family splits. These steers have plenty of compensatory gain and will power ahead.
