Assessor Comments	Buyers, Here is a top quality line of weaned EU Organic Hereford steers that average 323kg. These steers have tremendous weight for age, with great muscle expression, have a good depth of flank with nice length and bone. This is a very even line of soft, easy doing steers that have great spring of rib. These steers are out of very soft, easy doing cows by Les Nixon blood Hereford sires. These steers are very quiet to handle. Note: vendor has other steers in same sale.
