Assessor Comments	A good line of NSM soft crossbred heifers. Well grown and show good bone and type. 5 heifers which were joined with keeper heifers were preg tested empty. Balance of heifers unjoined but no guarantees given. Heifers have had very wet conditions for the last two weeks and were weighed/assessed on a 15 hour curfew. Heifers have the ability to put on weight quickly given the right conditions. Suitable to feed for trade/export markets or keep as a line of future breeders. Vendor has another three lots this sale.
