Assessor Comments	Buyers a good opportunity to secure a line of well bred Brahman and Brahman Cross Steers that are off 1st Calf Heifers. These Steers show very good weight for age, length of body, shape and structure being by the well known Gipsy Plains Brahman Bulls with a percentage being by high indexing Droughtmaster Bulls. These Steers are ideal for a backgrounding operation to put on Oats to take through to heavier weights to suit Domestic and Export markets. Please note same vendor same sale has the Heifer portion also available.
