Assessor Comments 78 VGQ HGP Free Soft Crossbred Steers. They Exhibit Very Good Bone, Length, Depth and Frame for their age. Ideal Steers to grow out to Heavy Feeder or Slaughter Steers for the Supermarket Trade or Export Markets. They have Good Feet, Tidy Heads & are Quiet. All of the Steers were mouthed with solid Milk Teeth & take note of the tight weight range they were drafted into. They were weighed after having access to hay & water overnight, however they hardly marked the bale. Would consider their weights to be reasonably well curfewed, however have taken off another 5% as a precaution. There is 1 Steer with Blue Eye Scarring in 1 Eye. Vendor has another B-Double of Crossbred Steers in the same sale. They are running together in the same paddock so would prefer to deliver in a similar timeframe.
