| Handled With            | Heifers were easy enough to handle to through the yards, a few heifers were stirry when in the crush<br>Aerial (Helicopters, gyro's and planes) , Bikes , Horses , On foot , Vehicles                                                                                                                                                                                                                       |                             |       |                 |                |                 |                             |                         |                          |           |     |                |      |        |     |      |     |  |  |  |  |      |    |  |  |  |
| Assessor Comments       | On offer is a run of quality EU Crossbred weaner heifers. These heifers present in forward store condition with the frame to be perfect for the future feedlot or slaughter markets, these heifers also have the quality to become ideal future breeders. Heifers were treated with Cattle max pour on at time of assessment. A few heifers have slight marks and fly bites from being in out of the yards. |                             |       |                 |                |                 |                             |                         |                          |           |     |                |      |        |     |      |     |  |  |  |  |      |    |  |  |  |
