	Very quiet line of steers to handle							
Handled With	Bikes							
Assessor Comments	Buyers, Here is a great line of vendor bred weaned Angus cross steers that avg 323kg. These steers present in good store condition, have great bone and frame with nice muscle expression, as well as having very good length and are very even in weights and types. They are out of medium to large frame Santa cows by top quality Angus sires. Steer have very good temperament. 2 steers has old blight scar but not detrimental. Steers are grass only eligible and antibiotic free. Vendor has heifers in same sale.
