Assessor Comments

A great opportunity to buy 4 decks of good quality black heifers. Heifers were purchased as weaners directly out of coastal sale yards in Queensland with the idea of selling as feeder heifers. Heifers have a good temperament with a handful stirring up in the crush but nothing to be worried about. Being off light country these heifers will excel on quality pastures. A large percentage of these heifers are perfectly suited for a Woolies or Coles job and the entire mob would be ideal for either oats fattening/backgrounding or to join to bulls. BUYERS PLEASE NOTE THE VENDOR HAS ANOTHER TWO LINES OF CHARBRAY X AND DROUGHTMASTER X HEIFERS IN THE SAME SALE, please note one heifer has a small lump near the front leg.
