Assessor	This is a nice line of Angus steers ready for someone to purchase and take on to heavier weights. These cattle have been used in a Rotational, Organic Grazing Programme . The steers have good bone and quality, The cattle are in strong store condition and i believe there is a huge opportunity here for compensatory weight gain given the opportunity to crop or improved pasture. Buyers please note a few steers noticed with old pinkeye scarring and two steers had small scurrs. Allan Laurie (Level 3 Accredited)
