Assessor Comments	A tremendous line of cross bred steers that are lovely and quiet. Located in clean country and ready for immediate delivery. weaned onto good quality oaten hay on 17.6.22. The Steers present in forward store condition They are perfect backgrounders and would grow out as future feeders or OX. Steers have a range of colors but with most showing the Simental influence. Located in a clean area. Steers will need blooding if they are to go into ticky country
