	These steers handled through the yards very well. The odd steer stirred up when isolated or in the crush. Cattle moved around quietly while photos were taken and some walked up and were quite inquisitive.		
Handled With	Aerial (Helicopters, gyro's and planes) , Bikes , Dogs , On foot , Vehicles		

Assessor Comments	3 Decks (84hd) of HGP free vendor bred steers. There are 9 decks in total from the same vendor in this weight range and we are offering them in 3 deck lots. We will sell these steers as they come through the gate as evenly as possible. There is 1 steer in the mob that has slight scarring on its eye and some steers have slight scarring from buffulo fly. An oppotunity to buy a good run of trade or backgrounder steers that are ready to go on with and that have a single brand. Vendor has other lots in this sale. Any cattle over 400kgs were mouthed and they were milk and two tooth.
