Assessor Comments	Buyers 2 decks of PCAS eligible Droughtmaster & Droughtmaster X weaner bulls that present in fresh store condition & are best described as medium to large frame. Weaners have been weaned for over a week at delivery and are very well educated by vendor through yards. A very reputable line of cattle for sale that will be ideal to put away on grass and grow out to heavier weights. These cattle have a good performance record and will suit to grow out as feeders or grass fed bullocks. At assessment 2 x head noticed with small ring worm around neck & head.
