Assessor Comments Buyers, here is an opportunity to purchase a two deck line of good quality soft, flatback number 2 steers. The steers have been fully weaned and have been in the paddock for over six weeks. This lot has a LWR of 244kg to 368kg, they had an average weight of 290.9kg at assessment and have an average weight of 279.8kg after 5% delivery adjustment. Buyers, please note that these steers are Tey's Grasslands eligible. These steers have not taken a backward step since being weaned, they are powering ahead and will continue to do so when given the opportunity on good feed. They are ideally suited to background to heavy feeder weights or take through to slaughter bullocks. This lot has been pretreated for ticks to assist in clearing for purchasers below the tick line. Please note it will be the purchasers responsibility to ensure that all cattle tick rules are abided by.
