Assessor Comments	Buyers a great opportunity to secure a good quality 3 deck line of store condition heifers with some big compensatory gains to be had . Ideally suited to the Domestic feeder market or alternatively would make great oats cattle to take through to heavier slaughter weights as they will suit all Pasture Fed programmes being HGP free with no Antibiotics or grain. They are by Gidyea Ultrablack and Brangus bulls out of good Angus composite, Brangus, Droughtmaster, Charolais and simbrah cows . Several had slight fly rub marks and 1 with slight blight scarring in one eye neither considered detrimental
