Assessor Comments	Buyers here presents a very good line of vendor bred Santa & Charolais cross weaned steers. Steers presenting in forward store condition showing tremendous growth for age and muscle definition. Ideal to suit feedlot or go on oats to take out to heavier weights. Steers have great depth and stand on good bone. 1 steer with old blue eye scarring and 1 steer with wart on head but not detrimental. This is the annual turnoff of the "Bonarby" Stinson Family steers.
