	Slightly Stirry: 29 head	Slightly Stirry: 32 head	Paddock
	Stirry: 7 head	Stirry: 6 head	
	Heifers moved freely through yards and required blocking when given space. Heifers became agitated when pressured which can be common behavior of unweaned cattle. Heifers were weaned at assessment 16/06/2022 and will be getting worked daily until delivered. Cattle will want handling when arrived at new environment and worked before being let out into big paddocks.		
Handled With	Bikes , Dogs , Horses , On foot , Vehicles		
Assessor Comments	Buyers on offer 117 VGQ Charolais x backgrounder heifers that will be ideal to background and put away on oats, grass country to grow. Heifers show very good feminine characteristics and show tremendous weight for age showing all attributes to make ideal replacement breeders or feed and take through to heavier weights suiting all domestic markets. Buyers please note 4 heifers had fly rub at time of assessment. Heifers show good body type with plenty of length & depth and are noted performers by previous purchasers and come highly recommended. Cattle were weaned at assessment 16/06/2022 on good quality oaten hay and will be in yards until delivered.*Please note vendor has another 3 decks in same sale of the heavier heifers*.
