	These heifers were an absolute pleasure to handle they followed each other up the race and through the crush with no hassles what so ever.			
Handled With	Bikes , Dogs , Horses			

Assessor Comments	Very rarely does an opportunity like this arise to secure quality Angus breeders of this quality. Glenavon is one of the oldest and respected names when it comes to breeding Angus cattle. They have concentrated on breeding large frame cattle with plenty of softness, growth and fertility. They are sired by the best of Glenavon bulls and are ready to join and would be an asset to any herd.
