Handled With	Heifers were very good to handel in and around cattle yards, a great feature with this quality line of cattle, some heifers did stir up in crush though as soon as placed back in a mob situation they settled straight away as can be seen in video. Assessor Comments	48 (2 decks) Vendor bred Top of the drop Angus x Angus NSM future breeders, August September 2020 drop (rising 2 years old) weighing 384 - 506kgs to ave 448.8kgs at assessment. Heifers present in forward store condition and have been grazing semi improved native pasture and doing very well. There has been no expense spared in the breeding of these angus heifers being out of very good quality Booroomooka and Te mania blood cows and by Full Power Booroomooka Angus bulls and heifers have had the time to grow out into solf deep future breeders. heifers would be ideal to take home join to your bull of choice with them complementing any breeding operation. This is a genuine sale heifers have not been drafted off as culls they are only surplus to requirements.
