Assessor Comments	2 Decks / 64 good quality Droughtmaster Backgrounder steers on offer, this is an ideal line of backgrounders that would be suitable to turn out on to feed to later sell on as heavy feeders or further grow out to kill for the local domestic markets, These backgrounders have plenty of frame & Quality about them, they will grow out very well given the opportunity on feed. They are presenting in fresh forward store condition. 5 Head between 280-409kgs, Purchases please see there is another 4 deck line of Weaner steers also available in the same sale and another 2 lines of PTIC Cows in the Eastern States Sale.
