Handled With	Bikes , On foot
Assessor Comments	A very good quality line of weaner steers that demonstrate exceptional temperament. These soft steers are showing tremendous weight for age, bone, muscle, thickness and frame. They are well bred with a reputation for high performance in feedlots and top results over the hooks. Steers are ready to go on to crop, grain or grass and would be ideal to grow out to hit heavier markets. Please note 1 steer with rub marks from lice on sheath (treated with Cetrigen).
