Assessor Comments	Buyers 24 weaned Santa steers averaging 316kg. Theses steers have great bone, structure and length of body. Great softness which makes them Ideal Backgrounders for the trade feeder market or export feeder market. Theses cattle will perform very well on good feed so would also make great bullock in the future and fatten on grass, crop or grain. Steers are very well bred being by Stud Santa bull out very fertile big frame santa cows. Note vendor has 3 other lots in same sale.
