At the time of assessment steers had only been weaned for 4 days and it was their first time being drafted and worked through yards since being taken off the cow. A small % became unsettled in round yard while being drafted but once they were shown the gate they settled quickly. Please note the Craigie Station cattle are very well handled cattle and these steers will be handled and educated in the yards and tailed out up until delivery.

Handled With	Bikes , Dogs

Assessor Comments	A line of 76 good quality vendor bred Simmental cross weaned steers presenting in forward store condition that had a LWT range at assessment of 203 - 324kg full to average 247.8kg after a - 4% curfew. Buyers this is a great opportunity to secure a line of PCAS and grasslands eligible weaned steers showing good growth and weight for age with plenty of bone. The Craigie Station cattle are renowned for their doing ability and performance and these steers will suit to background, feed or grow on to bullocks. Please note; Steers had been weaned for 4 days prior to being weighed so please take this into consideration. Sister lot in same sale.
