Assessor Comments	27 vendor bred Shorthorn cross & Devon cross steers that were bred in the lighter eastern country of Demon Creek then moved to our vendors country 13km south of Tenterfield to be grown out, presenting in strong store condition. Only being offered for sale due to the property being sold, would normally be grown out to feeder weights. Steers were uneasy at drafting and assessment but nothing showed any aggression or malice. All steers were mouthed and showing milk teeth, steers weighed 276kg to 377kg to average 329.3kg following a 16 hour dry curfew. Heavier brothers in same sale.
