Assessor Comments: 130 (b double) British and Euro cross weaned steers, weighing 135 - 245kgs to ave 180.6kgs at assessment. Steers present in forward store to store condition and given the right opportunity and access to good quality feed should do very well with steers predominantly having good frame and no weight for there age. Steers have been drafted to suit the supermarket trade for the feeder or kill job. Steers have had a mixture of yard and paddock weaning and are grazing semi improved native pasture. please note this vendor has 5 lots in this sale.
