Assessor Comments: A small but quality line of F1 Speckle Park/Angus Cross Steers. They are out of good quality Angus Heifers and by a registered Bull. The recent wet and cold weather means the milk has gone out of the calves, hence the lack of weight,

	giving the buyer a good opportunity for compensatory weight gains. They have been castrated with rubber rings on the 7th of June and their purses are all but dropped off. These Steers would definitely suit a Hobby Farmer as they are extremely quiet, but they are also bred to go on and grow given their genetics. Note: Sisters are in the same sale.
