The steers worked well through the race and crush during the assessing process. Mustering is done mostly with quad bikes, steers have had little or no contact with horses or dogs.

Handled With: Bikes , Vehicles

Assessor Comments: Young backgrounder Angus and Angus cross steers, moderate growth for age with medium frame. Will go on to suit a range of quality markets. Note they are grass market eligible in that they have not been fed grain, cotton seed nor have they been treated with antibiotics. Regarding the 24 hours off feed, the weaners were in the yard the day before being taken off their mothers - on water all the time as well. The vendor has a single deck truck available for transport if required. Phone vendor on 0408 621 938 for a competitive quote.
