Assessor Comments	Here's a great opportunity to purchase a line of vendor bred Angus & Black Baldy Heifers that are carrying Waverley and Trio Angus blood lines. These Heifers had a very tough weaning with 3 weeks of rain on them which has affected there presentation. They are freshly drenched and will bounce away given the right opportunity. Heifers present in forward store condition, and are quiet to handle. There is 1 white baldy heifer in lot but can be taken out on buyers request. N.B. Steer portion in same sale.
