Very well handled and educated steers, easy to muster and work in yards.

Handled With: Bikes , Dogs , Horses

Assessor Comments: An excellent quality line of Charolais (with 3 Angus) Speckle Park cross steers. The steers were part of an AI program where the vendor used semen from Wattle Grove Smoke and Mirrors and backed up with a Wattle Grove bull from the

	same sire line. These steers are performing well on the last of the winter forage and will bounce again on a change of diet. A fantastic cross with a quality line of Palgrove cows used. Note two steers with old blue scarring all healed now. Buy with confidence.
