Assessor Comments	A great line of well bred Angus heifers to join in the spring, Heifers are out of big framed cows by sons of Rennylea Kodiak. These heifers have been on a rising plane of nutrition and are growing out well. Extremely well educated and a pleasure to work with. 5 heifers with old blue scarring but good vision, one heifer with large white patch on belly not forward of the navel and one heifer with hand sized white birthmark on hip.
