	Good cattle to handle, true to their breed do like to run to a gate, however they're not aggressive and easy to handle in yards and in paddock. The bull that they have been running with is very quiet.		
Handled With	Bikes , On foot , Vehicles		
Assessor Comments	A nice line of Station mated cows and calves, cows themselves are in very good condition and are doing a great job on their calves. The calves are very even in weight and the cows have been running with a Shorthorn Bull which will be pulled out on delivery. Cows range from 4-8 years of age and are good to handle.
