Assessor Comments	An Exceptionally quiet Stud Registered Murray Grey Heifer Bull. This bull is rising 4 years and was purchased from Mandara Murray Grey Stud in Victoria. He has been used heavily within the Glanmire Murray Grey herd for his Structural soundness, Temperament and calving ease. This moderate framed bull shows plenty of thickness and is very free moving. He would be ideal for a herd looking for a Low Birthweight early maturing sire, and used for vealer production. Stud EBVs and breeding are available in links.
