	Typical unweaned calves, were wanting to get back to mum. Will settle with handling in the yards more. No aggressive nature, just nervous.		
Handled With	Bikes , On foot , Vehicles		

Assessor Comments	Outstanding young weaner steers. Great growth for age and terrific shape and style in these steers. Out of really good Angus cows, these calves will power ahead from weaning and should hit top weights over the winter/spring months. Have been vaccinated with a 7 in 1 and are just ready to go.
