Temperament	Yards Crush Paddock Quiet: 48 head Quiet: 40 head Temperament not assessed in Slightly Stirry: 8 head Paddock Very nice line of Charolais X steers to handle. Well broken in the bikes & dogs. Flowed around yards and throughout assessment with very little stress
Handled With	Bikes , Dogs , On foot , Vehicles

Assessor Comments	A nice line of Charolais X steers. Purchased ex Blackall late last year these steers now present as all frame carrying very little condition and set to power on on some fresher feed. Plenty of shape, stretch and breed quality to take the next step and punch the kilos on. Well handled steers worked well around the yards through the assessment process. Whether into the feed yard, onto crop or fresh pasture you could easily see these steers being heavy weights before the end of winter. Worth a close look.
