	Very nice line of Charolais X steers to handle. Well broken in the bikes & dogs. Flowed around yards and throughout assessment with very little stress		
Handled With	Bikes , Dogs , On foot , Vehicles		

Assessor Comments	A nice line of Charolais X steers. Purchased ex Blackall late last year these steers now present as all frame carrying very little condition and set to power on on some fresher feed. Plenty of shape, stretch and breed quality to take the next step and punch the kilos on. Well handled steers worked well around the yards through the assessment process. The lighter cut of this line of Charolais X steers, just the younger end, plenty of scope and upside. Worth a close look.
