Handled With	Bikes , Vehicles																		
Assessor Comments	A quality run of Braford yearling heifers suitable to join. Heifers are out of large framed cows and are Chadwick Downs blood. These heifers are showing plenty of frame and maternal characteristics and would be ideal females to take through to joining and calving out in any Braford breeding program. These cold country heifers are in forward condition and would readily take the bull of choice or finish quickly on crop or grain if given the chance in a warmer climate. The Golby family have been breeding Brangus/Braford cattle near Jindabyne for many years and have had great results selling cattle at all stages of growth, including kill cattle. Heifers did have access to bull at one point but will be given PG prior to delivery for buyer confidence. Please note: Vendor also has 3 other lots in todays sale with the chance to put together complete Autumn 21 drop of heifers and steers.																		
Assessor	Damien Roach (Level 1 Accredited) Phone: 0427 253 250
