Assessor Comments

An exceptional line of Angus Heifers from the renowned Hopewood herd. These Heifers present an opportunity for the purchaser to secure 24 vendor bred, classed in Angus heifers. These heifers would make excellent breeders Hopewood have been using premium Reiland Angus genetics for the past 25 years. The Hopewood mature cow herd are large frame, deep bodied cattle and have been bred with an emphasis on maternal traits and growth rates. Alternatively they would be ideal heifers to feed. Their cattle are highly sort and are known for their performance. Please note: 1 heifer with a blue eye/Pinkeye scar.
