Assessor Comments	Killara rise offers 8 traditional Simmental heifers that have never seen a bull. Killara Rise Simmental's herd reduction sale provides a huge opportunity to gain quality genetics that tick all the commercial traits that return you the dollars. These heifers 18 to 20 mths old and are ready for joining, and have length, width and style. Sired by Mount Mooney Nuclear & Yerwal Estate Night Train and out of Dam's by Woonallee Hadau and Buckingham Usher. The heifers are backed by milk, docility, fertility, and longevity. This is a great opportunity to secure a young line of traditional females only being sold to reduce numbers. Note other lots in same sale and Eastern sale.
