Assessor Comments	Opportunity to purchase an excellent draft of Angus spring calves. Steers have been well weaned, they have received all health treatments and are ready to go ahead. Steers are in excellent health and would suit the most discerning buyer. Repeat buyers have always returned for these cattle. Not much condition on these calves they are in true store condition and would go ahead with grass or feed. Grass Only and Antibiotic free. Note: 14 old pink eye scars that were treated and have recovered, Not detrimental. Note: see video
