Moved well through yards and in paddock.<br>Bikes , On foot                                                                                                                                                                                                                                                                                                                      |                                           |                |
| Assessor Comments  | Outstanding run of calves, perfect for Feed Lotting , backgrounding or for bullock fattening. Good boned steers with high growth and marbling bloodlines. Proven performing cattle for previous buyers in both feed lotting and grass fattening operations. Breeding is exceptional and calves are healthy and strong and moving forward. These cattle will perform exceptionally given all the correct conditions. Highly recommended cattle. |                                           |                |
