Bull was yarded with another bull, Quietly walked into the yards and drafted off. Very quiet in the crush. Halter broken and easy to handle.

Handled With	On foot , Vehicles
Assessor Comments	A super young purebred sire. This fellow has length, thickness, muscle, square right over the top, clean through the front and travels on a great set of feet and legs. Todd & Elke have put a great deal of time into this fellow, He has been broken in to halter and has been run in electric fence so very respectfull on fences. He has not been registered at this time though is eligible for both Simmental & Flekvieh registration. Vendor is happy to have him registered for purchaser if requested. He was born at only 01/07/2020 at 35 kg and hasnt looked back since. If your looking for a young sire for a vealer operation or a prospective stud sire look no further.
