Assessor Comments	On is 1 x 1 NSM Black Limousin cow and calf (J4). J4 is the best cow in the Curemont Stud. The Supreme Limousin of the 2018 Canberra Royal, she is a superb female, she is sound and has raised a calf annually throughout her time at Curemont. She is doing an excellent job on her heifer calf at the moment. A great opportunity for the buyer to take advantage of significant investment in leading Limousin genetics by the Curemont Stud. These cows and calves are part of the dispersal of Curemont Limousin Stud. Buyers can purchase very well bred cows with quality calves at foot. Curemont has selected genetics to maximise quiet temperament, structure, milking and carcass qualities. The Curemont Cattle have experienced very wet conditions, some calves in particular have experienced scald but are recovering well Buyers: there are a further 8 lots on offer. Please see media attached for details on cows/ calves breeding and details.
