Excellent cattle to handle

Assessor Comments	Good line of Angus X cows & calves. Mature aged matrons once again doing a great job on their fresh calves. Good cows to take on for a trade job or join majority of them again to bull of choice. Cows presented in good condition for their age. These cows have been the backbone of the Glynn families herd and I believe would continue to produce good calves if given the right opportunity's. Please note their are 3 red calves and 1 blue cow, 1 cow has twins. Cows were assessed at two sets of yards. Vendor will deliver to Tumut saleyards for delivery.
