Very quiet females that were a pleasure to handle! Rarely are cattle this quiet when part of such a large scale operation. All brought from the back yards easily with the race slide being left open for the entire duration. All females self fed up the race and on to the scales without hassle, stood quietly on the scales and exited at a walk. All exited the yards calmly for photos and quietly grazed around without concern. A delight to handle & a real credit to the vendor.

Assessor Comments	Exciting opportunity to secure a B-Double load of the renowned Wantabadgery station females. Outstanding females in the prime of their lives. Only offered for sale after an enormous result in this years Pregnancy scanning. The Wantabadgery herd carry proven genetics and have been repeat award winners across multiple fields. Every female is classed annually at preg testing & this line on offer represent the tops & are an excellent example of the Wantabadgery brand. Long, deep, maternal bodied females with heavy skin and pretty faces. Bred to carry weight whist maintaining a general easy fleshing softness about them. These females have the confirmation, reputation & proven genetic prestige to be a very rewarding investment for even the most discerning buyers. These females come with the agents & assessor highest recommendation. Note. Vendor has another lot of 3rd calvers in same sale. Please Note. small percentage with white flanks, very odd eye blemish. Please see photos & videos.
