Easy females to handle, quiet to walk through and video, just were all actually quieter in the crush than they were in the yards. All walked up the race and stood very quietly to be weighed. The 2 heifers that were mouthed, didn't pull back on the head bale and exited calmly at a walk.

Handled With	Bikes , On foot , Vehicles
Assessor Comments	Nice line of quiet young mums to take on. Up and going calves at foot. Mums have a clean bag of milk underneath them, Started cycling again and are ready to be put back with the bulls. Low maintenance females with the temperament to compliment a hobby farming operation. Please see photos & video for full contentment.
