|---|---|
| Assessor Comments | NSM Angus cows & calves. 4 years of age 3rd calf at foot. They were purchased privately as PTIC cows late last year to take advantage of excess feed, with the intention to calve down & sell in the Autumn. These cows are putting everything into their calves that are 3-9 weeks of age, sired by Angus bulls. Buyers please note 1 cow with a blue eye & one calf with a small blemish in both eye not affecting vision. |
