Assessor Comments	These heifers have been running in the hills at Yarck on natural pastures and would thrive given the right conditions, they are fresh store heifers with a bright future in front of them. Vendor has bought these animals with an eye for quality both in heifer selection and bulls procured to join with. Ideal females for any operation looking to obtain young stock to add to or start a herd. Ready to go on with in this buoyant market. Please note vendor has two other lots in sale. One black baldy heifer was heaviest in the herd may be left behind at purchaser request.
