Generally quiet cattle to handle. Very easy to draft and handle through the process. Educated to file nicely up through a race and weigh box. Cattle where easy to draft off the calves.

Handled With	Bikes , On foot , Vehicles
Assessor Comments	Chance to purchase some nice young quiet heifers with calves at foot. These have the breeding and potential to turn into ideal outfits for the purchaser. Will absolutely go ahead in leaps and bounds presenting an ideal opportunity for compensatory gain. Please note some eye issues, small scarring and resolving pink eye in the cows. Calves are heavy in potential with the bloodlines behind them. Vendor has another line of 8 x 8 heifers and calves in this sale.
